

100 TL extract discount from TotalEnergies Stations and M Oil Stations for VakıfBank Worldcard holders!

GüzelEnerji, which incorporates TotalEnergies Stations and M Oil Stations brands, offers a 100 TL extract discount with the campaign launched with VakıfBank. After the fourth purchase of fuel or autogas of 500 TL or more to be made with VakıfBank Worldcard from TotalEnergies Stations or M Oil stations at one time and on different days as part of the campaign between August 16 and September 30, 2023, a 100 TL extract discount will be given for the purchase of fuel or autogas of 100 TL or more between October 1-10, 2023.

To participate in the campaign, it is enough to click the "Join Now/Hemen Katıl" button through the "Earn in Mobile/Cepte Kazan" in the VakıfBank Mobile application between August 16 and September 30, 2023.

In the customer-based campaign, during which a customer can participate only once and earn a 100 TL extract discount, payments for fuel or autogas purchases should be made via the VakıfBank POS system at the contracted TotalEnergies Stations and M Oil stations. The 100 TL discount to be earned in the extract discount campaign, which only individual credit card holders can benefit from, will be reflected on the individual credit card that is currently available for use, on October 16, 2023.

Detailed information about the campaign can be reached at www.totalenergiesistasyonu.com.tr/ and www.moil.com.tr.
