200 TL fuel points gift by TotalEnergies Stations for new ON Digital Banking customers!

TotalEnergies Stations, as part of its cooperation with ON, Burgan Bank's digital banking brand, presents Club TotalEnergies Fuel Points of 200 TL to the new ON customers.

Within the scope of the campaign, which will be valid between September 15 and October 31, 2023, and from which only the new ON customers can benefit, the discount code sent via SMS on the first business day following the day when the participant became the ON customer should be entered into the Club TotalEnergies mobile application. After downloading the Club TotalEnergies mobile application, 200 TL fuel points will be loaded when the code transmitted by Burgan Bank-ON Digital Banking is entered into the "ON kampanyası/ON campaign" field in the Club TotalEnergies mobile application. It would be sufficient to give the mobile phone number to the grocery clerk to redeem the Club TotalEnergies Fuel Point gift, which will be valid only once in a transaction at the fuel station that has been involved in the campaign.

Through ON Digital Banking, customers start to experience the earning world of ON from the first moment. Providing the advantage of free digital banking, ON allows users to smoothly perform many transactions, including deposit, investment, money transfer, and foreign exchange transactions, and offers them profitable and easy banking thanks to the privilege of the ON mobile application.

TotalEnergies Stations, which has introduced many firsts and cutting-edge technologies such as Eurodiesel, mobile payment, and hygiene with ozone to the oil and gas industry in Turkey, offers its customers quality service and high-performance products thanks to its broad distribution network.

Detailed information about the campaign can be reached via <https://www.burgan.com.tr/on-kampanyalar>, www.totalenergiesistasyoni.com.tr/, and the ON application.
